
"We will not, we need not, *we must not* tolerate any effort on the part of the U.S. Military and executive branch to suspend and take away these rights from us."

- Daniel Sheehan

On December 31st, 2011, President Obama signed the 2012 NDAA (National Defense Authorization Act). Sections 1021 and 1022 authorize the indefinite military detention, without charge or trial, of anyone, including American citizens, on U.S. soil.

We, the undersigned, urge Santa Cruz City and County to pass a law making Santa Cruz City and County a Constitution Protection Zone. This law will direct our local government officials, including law enforcement, to honor their Oath to the Constitution they swore to uphold, "against all enemies, foreign and domestic."

Our officers will actively protect the constitutional rights of every Santa Cruz City and County resident against would-be violators of the Bill of Rights of our Constitution.

SANTA CRUZ CONSTITUTION PROTECTION ZONE

A PROJECT OF THE ROMERO INSTITUTE

PETITION TO DEFEND THE RIGHTS OF SANTA CRUZ RESIDENTS BY CREATING A CONSTITUTION PROTECTION ZONE
